LCS Families,

Lebanon Christian School will not require masking of students or staff for Covid infection prevention. Parents will always have the right for their students to wear masks if they choose. Students who are sick should follow the guidelines in the Student Handbook for when they should return to school. In the case of families with members who are at risk for contracting Covid or another illness, Lebanon Christian School will support your students with remote learning and take home work. Please communicate your individual family situation with our staff so that we may find the best way to accommodate the student.

Sincerely,

A handwritten signature in black ink, appearing to read "SS", is placed above the typed name.

Scott Spahr, President  
Members of the Board of Education  
Lebanon Christian Schools
